

UMANG Platform – Structured Knowledge Document for RAG Training

1. Platform Overview

UMANG (Unified Mobile Application for New-age Governance) is a Digital India initiative developed by the **National e-Governance Division (NeGD)** under the **Ministry of Electronics and Information Technology (MeitY), Government of India**. It serves as a **single unified gateway** to access Central and State Government services, schemes, and information through **Web, Mobile App (Android & iOS), Chatbot, Voice Bot, and ISL Chatbot**.

Official UMANG Web Portal: - <https://web.umang.gov.in/landing/>

2. Core Navigation Structure

UMANG platform is organized into the following primary sections: - Home - Services - Schemes - DigiLocker - Dashboard

Each section provides role-based and citizen-centric access to government services.

3. Platform Scale & Usage Metrics

- **Departments/Entities:** Central (80), State (160)
- **Services:** Central (872), State (1,518)
- **Registrations:** 10.04 Crores (Total)
- **Transactions:** 713.94 Crores (Total)

These metrics reflect nationwide adoption and large-scale service delivery.

4. Service Categorization Framework

UMANG categorizes services to simplify discovery: - Travel - Health & Wellness - Police and Legal - Mera Ration - Transport - Education, Skills & Employment - Utility & Bill Payments - e-District Services - Women, Child & Senior Citizens - Farmers - BFSI - Social Security & Pensioners - Public Grievance - Aadhaar - General

5. Services Section (Services on UMANG)

The **Services** module provides centralized access to government services across departments.

Services Landing Page: - <https://web.umang.gov.in/landing/servicesmeity>

13. Accessibility Features

UMANG supports inclusive access with: - Text size control - Line height & spacing - Dyslexia-friendly mode - ADHD mode - Light/Dark mode - Invert colors - Text-to-speech - Keyboard shortcuts - Hide images & animations

14. Footer & Governance Information

- Owned & Developed by: NeGD, MeitY, Govt. of India
 - Digital India Project under National e-Governance Plan
 - Content maintained by respective Ministries/Departments
 - Last Updated: 09 January 2026
 - Version: v-21.2.37
-

15. RAG Usage Notes (For Model Training)

- Treat each **Department** as a top-level document node
 - Treat each **Service** as an atomic retrievable chunk
 - Preserve visit statistics as metadata
 - Do not infer eligibility or process unless explicitly stated
 - Use department contact details only when available
 - If data is missing, respond with predefined fallback message
-
