

**UMANG** stands for **Unified Mobile Application for New-Age Governance**.

It is a **single digital platform by the Government of India** that allows citizens to access **multiple government services from one app or website**.

#### What is UMANG?

**UMANG** is a unified mobile and web application developed under the **Digital India initiative** to simplify access to government services across **central, state, and local departments**.

#### Key Features

- **One App, Many Services** – No need to install multiple government apps
- **Central & State Services** – Covers ministries, departments, and states
- **Secure Login** – Mobile OTP, MPIN, Aadhaar-based options
- **Multilingual Support** – Available in multiple Indian languages
- **Web + Mobile** – Works on Android, iOS, and web browser

#### Services Available on UMANG

- Aadhaar services
- DigiLocker
- PAN & Income Tax services
- EPFO (PF balance, claims)
- Gas booking (LPG)
- Electricity & water bill payments
- Scholarships, pensions, certificates
- Health, education, transport services

#### Why UMANG is Important

- Reduces paperwork
- Saves time
- Improves transparency
- Brings **governance to citizens' fingertips**

#### Where to Access

- Mobile App: Android & iOS
- Website: [web.umang.gov.in](http://web.umang.gov.in)

#### UMANG Platform – Current Scale & Reach

**UMANG** has grown into one of India's largest digital governance platforms, connecting citizens with government services at scale.

#### Departments / Entities

- **Central Government:** 80
- **State Governments:** 160
- **Total: 240 Departments & Entities**

#### Services Available

- **Central Services:** 872

- **State Services:** 1,518
- **Total Services:** 2,390

#### User Adoption

- **Total Registrations:** 10.06 Crore users

#### Platform Usage

- **Total Transactions:** 715.56 Crore transactions

#### Benefits of UMANG

**UMANG** is an initiative by **National e-Governance Division (NeGD)** under the **Ministry of Electronics and Information Technology (MeitY)**. It aims to act as a **one-stop gateway for all government schemes and services**, accessible through **Mobile App (Android & iOS), Website, Chatbot, Voice Bot, and AI-based assistants**.

---

#### Key Benefits of UMANG

##### All Services & Schemes at One Place

- Central Government services
- State Government services
- Utility services (electricity, water, gas, etc.)
- Government schemes and welfare programs

 No need to visit multiple portals or apps.

---

##### All Documents at One Place

Integrated with DigiLocker to securely access:
